

Newsletter – Term 5 2017.

Welcome back to Term 5, it's already been a very busy one. The children are embracing our new topic "Out and about."

We have already begun planting different seeds in our new planting area. If you have any spare seeds at home we would be happy to make use of them.

A massive thank you for all your support with our sponsored bunny bounce, our total raised so far is a whopping £303.40. THANK YOU!

We have already begun to purchase some new resources to enhance our garden area that you may have noticed and it also helps us to be able to fund our animals that the children really enjoy.

Beach trip

As part of our learning we are planning to take the children on a trip to Herne Bay beach on Monday 15th May for the children present at Nursery in the morning, and on Friday 19th May for the pm/all day children. If you are able to help with this trip please let us know as we rely on parent helpers in order for trips to take place.

WOW'S

The children are really enjoying their special WOW moments, thank you for sending them in, if you

require any more please ask, we are all really enjoying sharing these special moments together.

Some children have now have lace up shoes which makes it impossible for them to be independent especially as they have need to be able to take their shoes off and put them back on when changing into wellies or using the trampoline. Velcro trainers work well in encouraging the children's independence.

Socks are also useful to be worn as the children spend a lot of time in wellies during wet/water/messy/dressing up activities.

In term 6 our topic is "Marvellous minibeasts", we have arranged for a special Creepy claws workshop to take place on Friday 9th June

This will take place during the normal session time, if your child does not attend on this day and would like to attend the workshop please let me know, letters to follow shortly, there will be a small cost for this workshop.

Some general reminders

Please could you remind the children not to play on the year R playground equipment. This includes older children as well as younger ones. Dogs and mobile phones are not permitted on the school grounds due to health and safety issues.

Please continue to return any more blue home/school learning books – we have lots more challenges planned for the rest of the year.

We would really appreciate our termly £3 cooking donations as soon as possible please.

Please don't forget to send your photos to be added to the 2 simple on line learning journeys – if you experience any difficulties with this please speak to a member of the Nursery team.

**Thank you for all your continued support
The Nursery Team**

**Useful diary dates
End of term 5 - Friday 26th May**

**Term 6 starts Tuesday 6th June
(Monday 5th June is a Staff Development Day)
End of term 6 – Friday 21st July**
