Year 2 Football Competition 23rd June

A team of seven children competed against other schools from the local area in a 5-a-side competition at Herne Bay High School. There was stiff competition and unfortunately they did not get through to the quarter finals. However, there was only a one goal difference between us and the team that went through from our group! The team worked really hard together showing a fantastic team spirit which produced great passing skills and some good goals. Well done!

A big thank you to everyone for sending in your vouchers. You collected almost 11,000 vouchers which has enabled us to purchase a lot of great PE equipment for use next year.
