### **Outdoor learning**

Now the weather is finally getting warmer please ensure that your child comes to Nursery with sun cream applied beforehand. If your child stays all day, please let Nursery staff if they have named sun cream with them to re-apply after lunch. We do have a selection of sunhats for the children or your child may bring their own named sunhat.

### **Some general reminders**

Please could you remind the children not to play on the year R playground equipment or to use the Nursery equipment while waiting to collect their siblings. We have had cases where several junior aged children have been bouncing on the trampoline at the end of the day breaking the recommended safety guidelines. Dogs and mobile phones are not permitted on the school grounds due to health and safety issues.

We would really appreciate our termly £3 cooking donations as soon as possible please.

Please don't forget to send your photos to be added to the 2 simple on line learning journeys – if you experience any difficulties with this please speak to a member of the Nursery team.

For children staying at Nursery next year we re-open on Monday 11<sup>th</sup> September.

**Thank you for all your continued support**
