Dear Parents/Carers,

In Year 1, the children will be looking at their own history, within their families and their own lifetime.

The children will be looking at their own history timeline from birth until the start of school. For this please send in some photos of your child, maybe their baby photos, first steps, first day at nursery, 4th birthday and first day at school, or any other special events that you have pictures for.

Then we will look at the children's family history. Thinking about the differences between their own lives and experiences and those of their parents/carers and their grandparents.

If you could send in photos of yourselves as their parents and the children's grandparents we can compare things that are the same/different. If you have any artefacts that you think might show the differences between then and now please send these in as they would make good talking points. For example, toys, books, newspaper cuttings or even photographs of special events.

Please could you send in photos/artefacts in a named bag by Friday 24th November.

Many thanks for your support
