

CHRISTMAS SHOP

4th – 8th December

Throughout the year, the PTA set up gift shops to give the children the unique opportunity to go shopping (without any peaking from us adults!). This year, the Christmas Shop will be open from the 4th until the 8th of December and gifts will range from 50p to £4.00. Please let them choose a little surprise for someone special themselves by sending some money in an envelope with the following information:

- Your child's name
- Your child's class
- Who the gifts are for

If you could spare a few hours on Monday or Wednesday and would like to join the Elves with the wrapping, please get in touch.

All proceeds from the shops are used to directly benefit the children!
