Late Arrivals - Rewarding punctuality

Punctuality is a lifelong skill, one we want to reward and encourage.

This term we will be continuing our celebration of punctuality. On Fridays, every class that has got 100% punctuality for the whole week will be entered into a draw, and the class that is pulled out of the hat will be allowed to wear **non-school uniform the following Friday**. Punctuality has a huge effect on the day; children arriving late are more likely to feel unsettled, out of sync with their class as well as missing out on targeted learning.

Punctuality Award

Congratulations to Ladybird Class who can come into school in their own clothes on Friday 19th January. Well done parents for all being on time.

The challenge this week is to see which classes manage to have everyone in on time.
