

Newsletter - Term 3 2018.

Welcome back to Term 3 and a happy new year to you all and a big welcome to our new entrants.

Firstly a massive thank you for all the support you gave us with our fundraising activities last term we raised over £100 with our sales of calendars and photo frames and just over £45 with our Christmas food selling.

This money helps us to be self-sufficient in looking after all our animals, and we are saving for a new outside garden marquee. Also thank you for our termly voluntary contributions of £3 which enables us to purchase cooking resources to ensure that we can continue our regular cooking sessions which are enjoyed by all the children.

We would like to invite you to join us in a reading session on Thursday 11th January 8.40-9am, a chance to enjoy stories with your child- everyone welcome even if this is not your usual session time or day.

This term our theme is "Could this be magic". The children are already really enjoying this topic and have been coming up with their own ideas of how to enhance their learning both in the indoor and outdoor environment. We have lots of exciting scientific experiments planned, and will be enjoying stories such as "Room on a broom" and "Jack and the beanstalk".

Also please return your child's learning diaries ASAP please as we have a new challenge for them.

Parent consultations will be taking place with your child's key worker from Monday 22nd January, please see the whiteboard for a chance to sign up for a date/time that suits you best.

Change of clothes please

As you are all aware, we offer the outdoor environment, whatever the weather. Staff have noticed that there are children who do not have a change of clothes bag with them.

Although we have spare clothes for emergencies, this is only a limited supply, so please remember you to bring in spare clothing for your child.

Supporting independence

It is also a useful skill to practise with your child independence in putting on their own coats and shoes.

Some children have lace up shoes which makes it impossible for them to be independent especially as they need to be able to take their shoes off and put them back on when changing into wellies or using the trampoline.

Some general reminders

Please don't forget to send your photos to be added to the 2 simple on line learning journeys - if you experience any difficulties with this please speak to a member of the Nursery team.

Also please let us know if you change any of your contact details or email addresses so we can update our records.

**Thank you for all your continued support.
The Nursery Team.**

**End of term 3 - Thursday 8th February
Term 4 begins on Monday 19th February**
