

Herne Bay Infant School and Seashells Nursery

Year 2 Spelling activity

This term your home spelling activity is: **Syllable Addition!**

This method of learning words helps you to think about the sounds in each word.

an + i + mal = animal

Note: Feel free to use other strategies!

Our **spelling focus** of the week is: adding the suffix 'ment' to the end of a root word.

Our **spelling words** of the week are: *amazement, development, disappointment, enjoyment.*

Our **common words** of the week are: *grass, sugar, Mr, Mrs, would.*

Some children might already know how to spell these words however they are not always using the correct spelling of them in their writing.

Using a piece of paper please support your child to write our spelling words and common words in rainbow writing each day.

On Friday we will have our weekly 'Fire Round Friday!' challenge. We will ask the children to write our spelling words and common words of the week. The group from each class who correctly spell the most words will collect points for their team on the leaderboard!

Thank you for your continued support.
