GOVERNORS

We need YOU!

Our Governing Body is looking for a new Parent Governor. This is a really rewarding role, in which you will get to know the school and have an influence on our children's education.

As a parent governor, you'll be involved in agreeing the school's objectives and targets, you'll evaluate the progress the school is making, and you'll be a source of support and challenge to the Senior Leadership Team.

Our governors are a friendly group, with varying skills and experience, but with one thing in common: a passion for great education, and for taking Herne Bay Infant School forward.

If you are interested in knowing more about this role, or putting your name forward, please email or talk to the Headteacher or Deputy Headteacher on the gate. If you have a specific area of interest or expertise in school life
