Absence Information

We would like to remind all parents to inform the school of any planned absences as soon as possible.

Furthermore, if your child is unwell and will not be attending school, please remember to inform the office by 9.15 am. It is your responsibility as their parent to notify us of any absence.

The school has a legal responsibility to record attendance and to assign codes for absences. Any absence that does not have a reason is recorded as unauthorised and as such if several of these are recorded you could be liable for a penalty notice.

When we do not receive any notice of a child being absent and we cannot make contact with parents, we will phone the next person on a child's contact list to ask if they can check that everything is alright. This procedure is in place to assure the school that every child is safe.
