

# Herne Bay Infant School & Seashells Nursery

## SPORTS WEEK

Sports Week this year will run very similarly to last year. Sports Days are on the Junior School Field with parents in the centre and children competing in the activities around the outside. Please see the date and time for your child's Sports Day. If it is raining we will have to rearrange but fingers crossed we will have sunshine!

Day	9.30am-11am
Tuesday 26 <sup>th</sup> June	Year 2
Wednesday 27 <sup>th</sup> June	Year R
Thursday 28 <sup>th</sup> June	Year 1

Team Theme will run Tennis coaching sessions for every year group and there will be the opportunity for KS1 children to try archery. In the run up to the World Cup we will also be practicing our football skills.

**Children can wear their PE kit every day this week and their own sports clothes/football kit on Friday 29<sup>th</sup> June.**

### **Fundraising:**

On Friday 29<sup>th</sup> June we will be raising money for Street Child. This charity uses sport to bring street children together in a safe space where they can be seen and their voices can be heard. In the run up to the World Cup (and other major sporting events) street children from around the world form teams and compete against each other. It is an opportunity to share their opinions and the Street Child charity then deliver the message created by the young people at the Street Child World Cup to governments, organisations, football clubs and communities. In order to support this charity **please donate £1** (or any amount you would like) and come to school wearing football clothes.
