

Herne Bay Infant School and Seashells Nursery

Year 1 Summer Walk

29.6.18

Dear Parents/Carers,

As part of our Science Curriculum, we are learning to make observations about seasons and the changes in weather.

On **Friday 20th July 2018** Monkey and Parrot Class will walk to The Memorial Park to spot signs of summer and talk about the weather. We will leave school at 2.00pm and return at approximately 2:30pm.

On **Friday 20th July 2018** Tiger and Zebra Class will walk to The Memorial Park to spot signs of summer. We will leave school at 2.15pm and return at approximately 2:45pm.

Just as reminder consent has already been given for local trips but we need your support to take the children off site a ratio of 1 adult to six children is the legal requirement.

Please speak to your child's class teacher if you are able to help on the trip. We are so grateful for your support as school trips cannot happen without it.

Thanks in advance
Year 1 Staff
