MAKE CONTACT!

It is really important to make sure your contact details are always up-to-date. If your home phone, mobile, work numbers or email address change, please let us know as soon as possible. You can do this by popping into the office or writing a note to us. We cannot take changes over the phone as we need to verify that you are the person making the changes. If we question anything, please don't be offended, we are simply keeping all the children safe.

“INTERESTING” NEWS

In PSHE, we are celebrating the communities that we belong to; clubs, groups, families and friends.

Please bring in photos of your child in their uniform, or in action with the group they belong to, or any rewards collected like badges and certificates. We would like to showcase these on our display board in school. This could be Beavers, Brownies, Swimming, Gymnastics, Karate, Rugby, Football, etc.

Let's Celebrate!

HOME LEARNING

We hope that your child is enjoying reading their book every day at home. In addition to reading, weekly spellings are being emailed home for you to practice the spellings rules your child is currently learning in class.

Thank you for all your understanding this week while we have had our new gates and fencing installed. I'm sure you will all agree how smart they look!

If you would like a paper copy of any letter from school these are available to collect from the school office.

IMPORTANT SAFETY NOTICE

When waiting in the carpark to collect children who are in after school clubs, please keep other children with you and not let them run around the cars or play on the railings. Remember this area is a car park and could be dangerous. Thank you.
