Library Visits

All year groups have now had their visit to the library. Thank you to those parents who were able to help on the trip – we really cannot run these trips without your support. We hope the children all enjoyed the books that they borrowed!

Year R Outside Area

We are hoping to continue using our outside area in Year R in all weathers. 

Therefore, please could we ask that all Year R children bring in named wellington boots and, ideally, a waterproof coat. We hope to keep these in school and will send them home at the end of each term.

Tips to share children's milestone moments safely

If you are proud of your children, protect them when sharing images of them online

Check your network of friends

Make sure you are happy that all your 100+ friends who will see your photo are actual friends. If not, consider only sharing with a select group of people.
