Online Safety

Share with care.

Once you've put something online it can be copied, shared or edited. It could turn up somewhere you wouldn't want it to be.

Visit from a Lifeguard!

Kayleigh Skinner kindly visited Year R on Monday to talk about her job with the RNLI. She showed us her kit, pictures of her boat and we asked her lots of questions. It has given the children lots to think about when writing and playing this week!

Robin Hood!

On Tuesday we have the travelling pantomime at school, who are performing Robin Hood. This starts at 09:00 so, as usual, please ensure children arrive at school on time.

May Bank Holiday

Please could we remind you that the first May bank holiday is now on Friday 8th instead of Monday 2nd.

Breakfast Club

We have some availability for new children to join our Breakfast Club!

This runs before school, 08:00 – 08:45 and is £3.15 per session.

For more information and to secure your child's place, please contact the school office.

Aldi Food Surplus

Our FLO collects fresh food surplus from Aldi on Mondays and Fridays. If you are currently struggling to feed your family and a regular food pack would be of help, please contact our FLO in confidence to make arrangements.

Attendance Matters

Punctuality Parrot is due for a visit very soon. Make sure you are on time to get a High Five!

Now all those Term 2 virus germs have gone, we would like to remind parents that an uncomplicated cough, cold and or sore throat is not a reason to be absent from school.

We encourage all children to follow good hygiene including using and throwing away tissues as well as regular handwashing.

We are looking forward to lots more children receiving a certificate and badge at the end of this term for great attendance.

Office Change

This week we are sadly saying goodbye to Ethie, our administration assistant, and warmly welcoming Sally and Lyn into the main office.
