## Breakfast & After School Club

I am pleased to tell you that at school we have an opportunity for your child to join our **Breakfast Club** and/or an After School Club run by Herne Bay Junior School. For further information re After School Club please contact [asc@hernebay-jun.kent.sch.uk](mailto:asc@hernebay-jun.kent.sch.uk).

The Breakfast Club runs from 7.45 am until 8.40 am each morning during term time at Herne Bay Infant School.

A nutritious and healthy breakfast, such as toast and cereal, is provided. After they have eaten the children have an opportunity to play and join in with games.

Parents supply their child with a toothbrush in a named bag, so they have an opportunity to clean their teeth before the start of school.

The cost of the Breakfast Club will be £3.50 per morning; this cost is used to buy food, equipment and staff wages. Please pay termly in advance.

The Breakfast Club has an admissions policy so that every application can be treated equally and fairly. The club is open to 25 children initially, but should there be the demand the school would consider increasing staffing to accommodate more children.
