

Herne Bay Infant and Seashells Nursery

Year R Term 1

What makes me unique?

What have I learnt?

We have had fun making new friends and relationships with key adults.

We have talked about our favourite colours and favourite foods. Then, we have played our favourite games together; inside and outside.

We have shared photographs of and talked about who is in our families or who is special to us.

We all have our own favourite stories and books. This is one of ours:

We're Going on a Bear Hunt by Michael Rosen

We made up actions to the story and went on our very own bear hunt.

We enjoyed joining in:

Swishy swashy, splash splosh, squelch squerch, hooo wooo, stumble trip, tiptoe tiptoe!

Glossary of vocabulary:

Unique: Being the one and only you

Friends: People who have a bond with mutual affection

Families: A group of people that are related and can live together.

Favourites: A preference to all others of the same kind.
