## Visit from local sanctuary

On Tuesday (30th March) we will have a visit in school from the local sanctuary 'Retreat into Wonderland'. If you would like to make a donation to support their work (which includes providing food and shelter for animals like Mabel the sheep, who the children will hopefully meet) then please visit the website:

<https://www.retreatintowonderland.com/>

## Easter Bonnets

Children are encouraged to make their Easter Bonnets at home this year, but there will be an opportunity for children to make one at school.

## Sanitizer

We have noticed an increase in children bringing in their own hand sanitizers. All children are regularly washing and sanitizing hands in school using the appropriate product. Sanitizer should only be brought in from home if prior agreement has been sought (due to a known sensitivity to the product we use or conditions such as eczema).

## Online safety

Over the half term holiday you may want to take a look at the UK Safer Internet Centre to see what current advice they have about internet-enabled devices. [Parents' Guide to Technology | Safer Internet Centre](#)

## End of term

### Wednesday 31st March

Due to the early finish at the end of term classes will end at the following times:

12:45 (Dolphin, Monkey, Bee)

1:00 (Seahorse, Tiger, Dragonfly)

1.15 (Starfish, Parrot, Ladybird, Kingfisher)

Please collect children promptly at the usual gates.

## Dogs

Please remember that dogs are not allowed on the school premises. This applies even if your child is being dropped by a friend or family member who is a dog-owner, it is your responsibility to make them aware of our school-wide policy.

## Safety on site

Please keep your child with you at all times whilst waiting for your class to open in the mornings. This is to ensure their safety.
