

# Subject Knowledge Organiser - Where do we live?

This term our focus will be Geography and we will be learning all about Herne Bay.

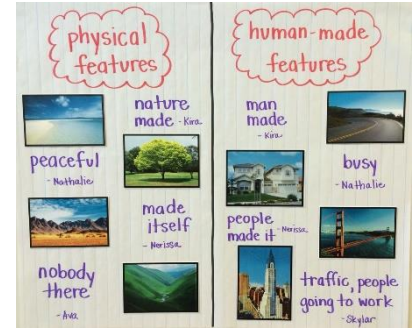

## The United Kingdom

## Human and Physical Features

**Human Features** – something built by humans for example houses and flats.

**Physical Features** – something created naturally for example the sea or a forest.

## Key Vocabulary

**Coast** – land near or attached to the sea.

**Beach** – a pebbly or sandy shore, especially by the sea.

**Train Station** – a place on a railway line where trains stop so that passengers can get on or off.

**Pier** – a platform on pillars built from the shore into the sea.

**Park** – an area of green land usually with grass, trees and plants.

**Flats** – a place people live where all the rooms are on one level within a larger building.

**Houses** – a place people can live where rooms are split across different floors.

## Herne Bay
