February 2022

Go Fund Me - Sponsored Swim

Hello everyone,

We would like your help!

I am Liza Fitzsimmons and I currently teach in Jeffers class. Along with Jo Senft who works in Rosen class, we are raising money for our new school library.

We would like the children to have access to a wider variety of good quality books that they can enjoy at school. It is vital that children learn to read and gain pleasure from books. Reading gives children lots of opportunities for life skills and to build up our stock of quality books we are going to do a sponsored swim.

We intend to swim in pool lengths (the equivalent of swimming the English Channel!) over a 12-week period starting 21st February.

This is approximately 21 miles so we will swim 1,260 lengths of a 25m pool.

We will share our progress with you over this time on our Go Fund Me page.

Any donations will be gratefully received.

Kind regards

Liza and Jo
