

Newsletter 6

Thank you! We are extremely grateful for all your donations which we have used to enhance the children's outdoor play and learning environment. Our small world resources now include dinosaurs, cars, trains and dolls house furniture and some animals and figures. We would still appreciate any additions. In particular, Duplo or any construction materials (but not Lego).

Our next exciting project.

We are fortunate to have the 'stage' area on our playground. We are in the process of adding CDs to the wall to create a shiny, mirrored background. We hope to fill the whole wall! The children have been asked to design an 'Our Stage' banner to brighten the area.

This is an area for the children to perform on so if you have any unwanted microphones, musical instruments, scarves and streamers (for dancing), please send them into the school.

Due to your generous donations of kitchen containers, we were able to include a role play area onto the playground. There is a kitchen area, hats, bags and table ware. When the months become warmer, we will add dressing up clothes.

All donations may be left, in the container, at the front of the reception area or given to Mrs Scanlon in Hendra class.
