Meet our Play Rangers.

These year 2 children have taken on extra responsibilities to support the Play Team and our children during lunch time play. This is to ensure that all children have the best play opportunities and everyone is safe and happy. Responsibilities include uncovering the sandpit and ensuring everyone stacks the tyres safely.

Thank you Play Rangers, you are doing a fantastic job!

Did your child receive a marble today?

All our children have a responsibility to take care of our environment. This includes tidying up the equipment they play with at lunch time. The Play Team keep a look out for the best 'tidy uppers' and award them with a laminated marble which, in turn, is exchanged for a real marble and is added to the respective class marble jar. When the jar is full, the class receives their 'marble jar treat'.

Play, such as using the climbing frame, supports children's coordination, balance and strength.

The water area is popular and supports problem solving, social and communication skills.

Free play is fundamental to children's physical, social, mental and emotional development and intrinsic to their health and happiness in the present moment.
