Curriculum Newsletter Year R

Term 1

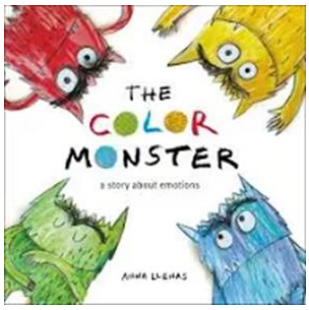

Welcome to all our new Year R families. We hope that you have had a lovely summer break and are ready for the term ahead. Our first few weeks are all about settling in and making sure that you child is happy and ready to learn. If you have any concerns, please speak to your class teacher and they will do their best to help you. Please ensure that all uniform is named so that it is easier to return to you.

This term, the children will be learning all about what makes them special. They will learn that we are all different and that is what makes us special. We will be looking at some of the texts from our class author and reading The Colour Monster by Anna Llenas. This will help us as we begin to talk about different emotions and how they make us feel. We will start to use new vocabulary including, happy, jolly, scared, frightened, sad, unhappy, angry, cross, quiet and calm.

Can you please ensure that your child has a named water bottle and rain jacket in school each day as we go outside in all weathers, and it can be very unpredictable.

Your child will be bringing home a book to share with you each week, please can you ensure that you send this back to be changed on a Friday. We will start to look at sorting different objects and comparing them in Maths also how to match pictures and objects. We will be learning new vocabulary such as big, small, tall, short, long etc.

Please remember to log in to Tapestry to see what your child has been learning in school. You can also add your own pictures for us to see.

If you have any junk modelling items at home then please send in to class this could be paper, card, boxes, tubes, foil etc. We use lots of this and it is amazing how a tube can be changed into a space rocket!

If you have any worries or concerns, please speak to us or Mrs Burns our Pastoral Child and Family worker.
